- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

A number of presentations would have to be classified as useful to me, because they broadened my knowledge: [REDACTED] on STATINTL

STATINTL the privacy act, [REDACTED] on records, Mike Malanovic

STATINTL on logistical problems and [REDACTED] on what MBO is really

about and what the intended purpose of MBO is. The least

useful have to be the Agency Archives and Records Center, [REDACTED]

is a bit too technical for non-Commo people. [REDACTED]

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

Definitely not!! The speakers were a disaster - what's more
the whole idea of the MAG seems to be a flop

D. Other Comments:

The tour of the Commo School is very interesting and informative.

STATINTL

[REDACTED] presentation was great because it should have
put to rest anyone's worry about the new polygraph system.

STATINT

[REDACTED] is a very interesting speaker, and an ideal one for
an evening session.

Has any thought been given to not opening up the bar until
the last session has finished?

the food and accommodations were quite good. Has any
thought been given to tipping the two women who bring
up the coffee and breakfast rolls.
